We Did It!

POSTED BY NG KIDS

Way to go jumpers! With your help, National Geographic Kids has broken the Guinness World Record for the most people doing jumping jacks in a 24-hour period! Between 3 p.m. on October 11 and 3 p.m. on October 12, 300,265 jumpers all over the world took part in the event--far surpassing the existing record of 20,425! [Watch a special video from Michelle Obama.](#)

To kick off the event, we joined First Lady and "Jumper in Chief" Michelle Obama and 464 Washington-area kids in one minute of continuous jumping jacks on the White House lawn. Check us out!
